Guest:

Ben Swam to discuss Christmas Classic

Discussion of basket options, pricing, delivery and pickup to save shipping costs.

Discussion of sponsorship price for the band on each basket and the number of years we are going to leave them there.

Note: Prodigy or Mach 7? Vote is unanimous for the Prodigy baskets. A more moderately price basket will allow us to work on projects and make improvements across several parks rather than concentrating funds in one place.

We will purchase the baskets by Friday and then we need to set a time to pick them up. Who can assist with the pickup?

Basket Pick Up Shifts:

11:30-1:00PM Stewart + 1:00- 2:30PM Chelsea and Matt

Christmas Classic- Ben Swam will be TD. We will do December 7th - Trussville + Carter for courses. A custom disc for the classic would be a cool offer. Who to design and where to have them printed?

Ben will create disc golf scene registration for the event. \$50 registration for Amateurs = \$100 player pack. Pros/ Open is \$80 entry fee. Suggest trophies for amateurs and payout for open. We need two course sponsors + and 36 hole sponsors. Need to design trophies that are original to use for the tourney.

Fall Run #1 Discussion centered around what we learned to take into the next two minis.

Cliff + Matt will TD the Fall Run #3- November 17th.

Ideas for Discussion @ Next Meeting:

2020 Schedule for Tournaments will be easier to get planned in one sitting and be more organized.

Discussion of a weekly league starting next summer at Trussville
